

Central High School PTO Membership Application

The Central High PTO supports ALL of the students and faculty at Central High School. We do so by purchasing educational material for the classroom and technology for the school, doing repairs at the school, decorating at the Prom and much, much more. We would like to take this opportunity to ask for YOUR support by joining the PTO. Together, we can give the students of Central High School the best education and school facility in the state. We will also update you monthly on school events and dates. If you have any questions, you may contact us at: **info@chspto.org** or visit us online at **www.chspto.com**.

*We thank you in advance for joining our effort to better our school.
Working Together We Can Make a Difference in our Children's Lives*
